

Europe Pacific Express Service

SERVICE FRAMEWORK

Swire Shipping's Europe Pacific Express Service is a regular and reliable transshipment service connecting Northern Europe, the Mediterranean region and Africa with ports in New Caledonia, Fiji, Vanuatu, the Samoas, Wallis and Futuna, Tonga, Guam, the Federated States of Micronesia and French Polynesia.

Through our hub in Singapore, we also have frequent on-carriage connections to all major ports in Papua New Guinea and the Solomon Islands. We can also offer extensive services to Australia, New Zealand and East Timor ports serviced by our liner trades.

Our weekly departures from Le Havre to Noumea in New Caledonia have a through transit time of only 40 days on average.

SERVICE FREQUENCY

Weekly departures from all Northern & Southern Mediterranean ports in Europe with transshipment over Singapore or Busan to final destinations in the Pacific for containers. We also offer regular departures ex Europe using the services of the main liner breakbulk and RoRo operators connecting to our liner multipurpose liner services.

SERVICE BENEFITS

Fast, competitive transit times and a reliable weekly sailing frequency

- Express Service routing specifically to meet the requirements of New Caledonian and all other Pacific region customers
- Extensive port coverage and seamless transshipment in Singapore
- Providing a full range of equipment including general-purpose and refrigerated containers, open-top and open-side containers, 20' and 40' flat-racks
- The ability to carry shipments of IMO and OOG cargo
- Specialists in the carriage of breakbulk/conventional cargo, including project shipments, construction and earth equipment, vehicles and oversize parcels
- Proven track-record with over 15 years' experience in transshipment and offering market leading service levels through our experienced agency network throughout Europe and the Pacific region
